sub: Facing lot of nuisance from tenant of F-11.

We, Mukul Subhash Kunte and Subhash Gopal Kunte
10 staying at F-12. This complaint is with regards to
the tenant staying in F-11, which is in front of my
flat F-12. He has been carrying on some catering
business and using the property for the same. He
doesn't reside over there. He prepares everything
15 in the hall of the flat due to which all the oily
smell comes into our house the whole day. My
wife Mrs. Meghana Subhash Kunte has recently being
cured from cancer and also a patient of Asthma.
I have repeatedly told the tenant to stop catering
20 business as it is hampering my wife's health.
He is reluctant and not ready to listen.

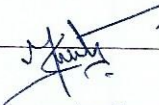

Kindly look into ~~the~~ this matter as this is
residential area and not fit for catering business etc.

The same has been verbally informed to
25 committee, looking for positive response.

Thanking You,

Shweta

Subhash Gopal Kunte.
